Please read and understand this Product Disclosure Sheet before you decide to apply for Personal Financing-i which is based on the *Murabahah Tawarruq* concept. Be sure to read the terms and conditions related to the product. Please seek clarification from us if you do not understand any part in this document or the general terms.

Personal Financing-i based on the *Murabahah Tawarruq* concept. (MTQ Personal Financing-i) – BPA

Date:

1. What is this product about?

This Personal Financing-i is a Shariah-compliant personal financing facility for employees of the State Government, Federal Government and selected Statutory Bodies who are eligible for salary deductions via Biro Perkhidmatan Angkasa (BPA).

2. What is the Shariah concept applied?

- The Shariah concepts applicable are *Tawarruq*, *Murabahah*, *Wa'd* and *Wakalah*.
- *Tawarruq* means an arrangement involving two sale and purchase agreements. The first involves the sale of a commodity by the Bank to you on a deferred payment basis at cost plus profit, where the purchase price and sale price are disclosed to the customer. Subsequently, the customer will sell the same commodity to a third party on cash and spot basis.
- *Murabahah* refers to the sale and purchase of a commodity where the bank acquisition cost and the total profit are disclosed to you.
- *Wa'd* is a unilateral undertaking that refers to an expression of commitment given by one party to another party to perform certain actions in the future.
- *Wakalah* is a contract whereby one party as principal (*muwakkil*) authorize the other party agent (*wakil*) to perform a particular task in matters that may be delegated, with or without imposition of fee or otherwise. In this product, customer appoint the Bank as unrestricted agent to perform the *Tawarruq* arrangement.
- The *Murabahah Tawarruq* transaction process is as follows:
 - i. You request the Bank to purchase the commodity from the commodity market and promise to purchase the commodity from the Bank (*Wa'd*). The Bank will purchase the said commodity at the Purchase Price equivalent to the Facility Amount.
 - ii. You appoint the Bank as your agent to purchase Shariah-compliant commodities such as Crude Palm Oil (CPO) and/or others from the Bank; and also to sell the said commodity to any third party.
 - iii. The Bank sells the agreed commodity to you at the Bank's Selling Price which you shall pay to the Bank in installments.
 - iv. As the buyer of the commodity, you have the right to take possession of the commodity at your own cost and expenses.
 - v. The Bank sells your commodity on your behalf to any third party at a purchase price equivalent to the Facility Amount.
 - vi. Proceeds from the sale of the commodity will be disbursed to you in accordance with the terms and conditions that have been agreed upon.

3. What do I get from this product?

The type of commodity that will be used in this financing is: Shariah-compliant commodities traded on a trading platform approved by AmBank Islamic Berhad.

- i. The Bank's Estimated Selling Price is: RM _____
- ii. The amount of financing [Facility Amount] (equivalent to the selling price of your commodity in the market) applied for: RM _____

Note: No fee or charge is imposed on you for the Bank's service as agent/representative.

6. What is the net Facility Amount that you will receive?

The net amount is equivalent to the Facility Amount less (Stamp Duty + Takaful Contribution [if applicable]).

7. Do I require takaful protection?

- i. You are encouraged to take Personal Financing Reducing Term Takaful (RTT).
- ii. RTT provides protection for death and total and permanent disability. It can be financed by the Bank as part of this Personal Financing-i ("Facility") to assist you in settling the financing in the event of any untoward incidents.

Note: The Bank may provide a quotation for any Takaful protection offered by the Bank's Takaful panel. However, you are free to choose Takaful services from other Takaful companies or choose not to take any Takaful protection.

8. What if I fail to fulfill my obligations?

- (a) Legal action will be taken against you if you fail to respond to any reminder notices and/or meet your financial obligations. Legal action against you may affect your credit rating leading to credit being more difficult or expensive in the future.
- (b) The Bank has a right to commence any or all of the following recovery activities:
 - i. **Review:** The Bank retains the right to review and terminate the facility granted to you in the event there is any indication the facility is being used for Shariah non-compliant activities or upon occurrence of any other event of defaults as agreed in the financing agreement.
 - ii. **Right to set off:** The Bank reserves the right to set-off unpaid balances in the financing account using any credit balances in any of your accounts with the Bank. The Bank shall provide notification atleast seven (7) calendar days to you if the Bank intend to make deductions from your account with the Bank to settle any outstanding financing payment.
 - iii. **Right to outsource debt collection:** If any money payable under the Facility is required to be recovered from the Customer, the Bank reserves the right, after giving seven (7) calendar days prior notice to the Customer, to outsource the debt collection to an external collection agency, by sending such notice to the Customer's last known address and the Bank shall be deemed to have fulfilled this obligation. The Bank shall provide the Customer with the name and contact details of the appointed third-party debt collection agency whom the Bank has outsourced the collection of all and any sums due to the Bank from the Customer.
- (c) You hereby agree and acknowledge that the Bank shall be entitled to impose and demand from you the late payment charges, by way of *Ta'widh* (compensation charges), for your failure to make:
 - i. Monthly payments and/or the agreed amount to be paid by you to the Bank; and/or
 - ii. Outstanding payments after the maturity date or the cancellation of the Facility.

Late payment charges will be calculated at the rate stated below:
